SPONSORSHIP INFORMATION 2018

Thank you for taking the time to look at the benefits of becoming a sponsor of the Casino Truck Show.

The Casino Truck Show was developed to provide a unique, community event in Casino that shows the region's love of trucks and the benefits they have to the area. The event is managed by the Casino Beef Week Committee who has proven success with the operation and delivery of the regions premier festival, the 11-day celebration of Casino Beef Week with more than 110 events.

Last year over 150 trucks from across Australia and 3,000 spectators attended the Casino Truck Show, which is always held on the first Saturday of August. In addition to the outstanding community benefits of becoming a corporate partner of the Casino Truck Show, there are extensive commercial incentives to supporting this exciting event. The Committee has implemented a professional marketing and operations strategy and utilises various advertising channels such as television, radio, local newspapers, trucking industry magazines, online and social media. This helps to ensure that the promotional & advertising campaign generates consumer and business awareness to not only regional, but interstate markets. To get a taste of the Casino Truck Show event visit www.casinotruckshow.com.au and check out the video from last year's show!
